

Bao Thanh Quach

Web Developer | E-commerce & Business Applications

Stanton, CA | (626) 316-3009 | baothanhquach1661@gmail.com
github.com/baothanhquach1661

PROFESSIONAL PROFILE

Web developer with two years of professional website development experience, a strong PHP foundation, and Shopify e-commerce experience. Built full-stack C#/.NET projects for inventory workflows and catalog data review using relational databases, automated tests, and GitHub Actions CI. Experienced in application troubleshooting, product-data maintenance, and support for non-technical users.

TECHNICAL SKILLS

Programming & Web	PHP, Python, C#, SQL, JavaScript, HTML/CSS
Web Applications	ASP.NET Core MVC, EF Core, Bootstrap, PostgreSQL, SQLite
Tools & Deployment	Git, GitHub, GitHub Actions, Docker (local PostgreSQL), Microsoft Azure
E-commerce & Data	Shopify, catalog maintenance, SKU mapping, CSV import/export, sales reporting

SELECTED DEVELOPMENT PROJECTS

CatLens - Catalog and Inventory Review Tool | 2026

Built an ASP.NET Core MVC application with PostgreSQL to import catalog CSV files and identify missing or duplicate SKUs; ran the database locally in Docker.

Added configurable high-inventory warnings and exportable lists for product-data review.

NailToolInventory - Inventory Management Web Application | 2026

Built a full-stack application with C#, ASP.NET Core MVC, EF Core, and SQLite to manage multi-location stock, receipts, issues, transfers, and reorder levels.

Implemented role-based access and transaction history; added automated tests and GitHub Actions CI to validate code changes.

RELEVANT EXPERIENCE

ATN Nail Supply - Garden Grove, CA | Jan 2026 - Aug 2026

Website and E-commerce Operations Manager

Maintained Shopify catalogs, SKU mappings, inventory data, and promotions; coordinated online order fulfillment.

Worked with staff and vendors to resolve website, checkout, application, and account-access issues.

Prepared monthly sales and inventory reports and audited recurring application costs.

Wing Hop Fung - Monterey Park, CA | Oct 2021 - Dec 2022

Website Specialist

Maintained Shopify product data, order records, and promotions; used analytics and dashboards to monitor online performance.

Coordinated with teams on inventory and fulfillment accuracy; provided multilingual customer support.

CNV Company - Ho Chi Minh City | Jun 2017 - May 2019

Web Developer

Built websites and data-tracking features for service businesses; provided ongoing maintenance and trained clients to use their websites.
